National Council  
Pro-Duffers USA, Inc.

Gentlemen;

Greetings to each of you and wishing only the best to you and your chapter members in 2019. Hopefully each of you enjoyed the holiday season with family and friends and have recovered from the inescapable hustle and bustle.

2019 is shaping up to be a great golf season for Pro-Duffers members beginning with the 2019 Spring Fling hosted by the Northern Virginia Chapter (NOVA) at Ford's Colony in Williamsburg, VA. Registration is now fully open to both members and guests and now is the time to energize your chapter and members to join in the excitement and experience.

In addition to maintaining the traditional goal of the Spring Fling – to be an inexpensive weekend of friendly competition and camaraderie through the game of golf – NOVA has taken the Spring Fling to another level and presenting a world class event. They have engaged St. Jude's Children's Hospital and Under Armor as confirmed sponsors and continue their efforts to secure additional sponsors with expectations of donating \$10,000.00 to St. Jude. Not only does this promote and encourage a greater interest by its chapters, members and the public in the game of golf and related social, civic and charitable activities, it provides national publicity for the Organization.

Please pass this message on to your membership as I encourage each chapter and each member to go online to register and join NOVA and Pro-Duffers USA in this innovative demonstration of "why we are Pro-Duffers."

Yours in Golf,

Kelvin A. Massey, National President  
Pro-Duffers USA, Inc.
