Dear Chuck:

It is with great pleasure that I inform you on behalf of the Board of Directors of your club's – "PRO-DUFFERS USA, INC." - selection into the *African American Golfers Hall of Fame* (AAGHOF). The AAGHOF Selection Committee received numerous nominations from around the world. After careful review of all nominations, the committee chose your club to receive its "2011 Founders Award" and be inducted into the AAGHOF. Your selection specifically is because of the club's love for the game of golf, integrity, dedication to growing the game of golf - particularly for our youth and their families. Indeed, your club was found to be extremely deserving of this prestigious honor and I personally applaud you.

The AAGHOF will host its "7th Annual African American Golfers Hall of Fame Conference, Golf Tournaments, Reception, Dinner, Auction & Awards Celebration" at the Palm Beach Gardens Marriott, 4000 RCA Blvd., Palm Beach Gardens, FL 33410 during the period May 26-30, 2011. The complete program and additional specific information will be forwarded to you and posted on our web site listed above. We know that you are very busy, however, upon receipt of this letter a response is requested via email by or before March 15, 2011 of your acceptance. We are certainly hopeful that you will accept the honor along with your members in person.

Upon receipt of your acceptance response, we would appreciate very much if you would submit a group color photo and one showing your golf involvement with youth which we will include in our historic souvenir book. We will also need a brief (300 word) historic background information, objectives, mission and goals of your organization. Send your color photos in a jpeg format and statement via email by or before March 21, 2011. All email responses should be forwarded to: Malachi@africanamericangolfershalloffame.com.

If you have any questions, please don't hesitate to contact me. Thanks in advance for your timely responses.

Again, CONGRATULATIONS on such an exclusive accomplishment!
