

2023 National Alert

Fellow pro Duffers, The Atlanta Chapter is excited to be hosting the 2023 National Meeting. I assure you that this tournament will be EPIC for golfers and significant others. We will be playing on two of the best courses in St. Augustine, the **Slammer and the Squire and the King and the Bear** (see pictures) . Our wives will be well taken care of with tours and shopping. We are also planning something that has never been done before. We are planning a prefixed dinner menu on Thursday that will be an extension the restaurant dinner menu. This will eliminate the need to run in from late play on Thursday and try to find a restaurant that will accommodate our group. This will be held in one of the ballrooms and will flow into our hospitality starting at 8:30. The rest of the evening will be a surprise. We have 188 spots and Atlanta will be there in large numbers so when the registration opens be ready. You know Atlanta will be putting it's best two feet forward. Preliminary cost follow. Registration fees did not change:

Golfers \$260.00

Non Golfers \$175.00

Hotel Rooms \$174.00 per night with two breakfast meals per room included.

Prefixed dinner menu cost to be determined. Same as dinner menu in the restaurant.

More information and registration forms and payment methods will follow the first of the year.

Stay Tuned - Karon Graves (Atlanta Pro Duffers)
